Full name	Yahia Mohamed Mahmoud Farid

PHONE NUMBER : 01146461602

Objective

- As my skilled Front End Developer and Jr.WordPress Developer, I am seeking new opportunities to apply my expertise in modern web technologies like HTML, CSS, JavaScript, React.js, Redux, Vite and Wordpress. I am looking for a position where I can leverage my skills in building responsive, efficient, and user-friendly web applications.

Education

- Bachelor Degree in Al-Alsun Ain Shams university, Department Turkish and Deutsch language.
- Cumulative Grade: good ©.

Work Experience

- Front End Developer (Freelance)   (August 2023 – Present)
- Developing responsive web applications using HTML, CSS, JavaScript, React.js, Redux, and Redux Toolkit.
- Collaborating with cross-functional teams to design and implement new features.
- Building and optimizing WordPress sites, providing custom themes, and plugin configurations.
- Gained experience in Vite.js as a fast and efficient bundler for front-end projects.
- Trained remotely for 8 months in WordPress development and management, improving website speed and functionality for multiple clients.
- Actively contributed to code reviews and maintaining best practices in coding standards.
